

52°North Geoprocessing Community Publications 2014

This document provides a list of publications addressing 52°North software/architecture developments and concepts from members of the 52°North communities. It also provides an overview of talks and presentations given at various conferences, workshops and seminars.

OGC

Engineering Reports

Bröring, A., Jirka, S., Rieke, M., & B. Proß (2014): OGC Public Engineering Report: [OGC® Testbed-10 CCI VGI Engineering Report](#) (OGC 14-016). Wayland, MA, USA, Open Geospatial Consortium Inc.

Keighan, E., Pross, B. & H. Caumont (2014): OGC Public Engineering Report: [Testbed 10 Performance of OGC® Services in the Cloud: The WMS, WMTS, and WPS cases](#) (OGC 14-028r1). Wayland, MA, USA, Open Geospatial Consortium Inc.

Masó, J., Closa, G., Gil, Y. & B. Proß (2014): OGC Public Engineering Report: [OGC® Testbed 10 Provenance Engineering Report](#) (OGC 14-001). Wayland, MA, USA, Open Geospatial Consortium Inc.

Rieke, M. (2014): OGC Public Engineering Report: OWS 10 Report on Aviation Architecture (14-008). Wayland, MA, USA, Open Geospatial Consortium Inc.

Rieke, M. (2014): OGC Public Engineering Report: OWS 10 Report on Aviation Binding AIXM to Development Tools (14-007). Wayland, MA, USA, Open Geospatial Consortium Inc.

Conferences and Workshops

WPS Technologies for Integrated Assessment Modelling in Urban Areas (Workshop)

Proß, B. & M. Müller (2014): The WPS standard and protocol, version 2.0 - what lies ahead. WG1 COST Action TU 0902 Technical Workshop, January 22 - 24, 2014, Esch-sur-Alzette, Luxembourg.

Proß, B. & M. Müller (2014): Integrated web based modelling: use case with 52°North WPS. WG1 COST Action TU 0902 Technical Workshop, January 22 - 24, 2014, Esch-sur-Alzette, Luxembourg.

Proß, B. & M. Müller (2014): The future of WPS for integrated modeling. WG1 COST Action TU 0902 Technical Workshop, January 22 - 24, 2014, Esch-sur-Alzette, Luxembourg.

FOSSGIS 2014

Proß, B. (2014): Neues aus dem 52°North WPS Projekt. FOSSGIS 2014, March 19 - 21, 2014, Berlin, Germany.

AGILE Conference 2014

Müller, M. (2014): Geoprocessing on the Web. AGILE Conference Workshop, June 3, 2014, Castellón, Spain.

Proß, B. (2014): The 52°North WPS. Features, developments and applications. AGILE Conference Workshop "Geoprocessing on the Web", June 3, 2014, Castellón, Spain.

Müller, M. (2014): A first glance at the proposed WPS 2.0 standard. AGILE Conference Workshop "Geoprocessing on the Web", June 3, 2014, Castellón, Spain.

Nüst, D. & B. Proß (2014): 5-Star Open Geoprocessing. AGILE Conference Workshop "Geoprocessing on the Web", June 3, 2014, Castellón, Spain.

FOSS4G Europe 2014

Proß, B. (2014): The WPS 2.0 Standard. FOSS4G Europe 2014, July 15 - 17, 2014, Bremen, Germany.
