Address (for the invoice):

What will you attend?

Monday, September 2nd

Preconference tutorials are held at the Institute for Geoinformatics, Heisenbergstr. 2, 48149 Münster

14:00 – 15:30

- 1) Using Copernicus Data in Practical Use Cases
- 2) Data Import and Export within the Sensor Web

16:00 – 17:30

3) Management and Visualization of Sensor Web Data

Tuesday, September 3rd

9:00 – 17:30

Conference Day: Geospatial Sensing – from sensing to understanding our world

Wednesday September 4th

9:00 – 12:30

Interactive Workshop: organized in small groups to develop use cases

13:30 - 16:00

Developer Meet-ups

If you would like to meet with 52North developers, please provide any information and the possible contact at 52N in the space below.

Social Events

We will organize an Icebreaker and a Get-Together dinner. Please note that the Get-Together dinner* is included in the Conference Fee, but the Icebreaker is not. You will need to pay for the Icebreaker on your own. Which of these events will you attend?

September 2nd: Icebreaker

September 3rd: Get-together dinner (included in the conference fee)

*Get together dinner is not included in the conference Fee for students

Dietary Restrictions

None

Vegetarian

Conference Fee

We charge a fee (VAT included) to cover some of the conference costs. These include catering and the Get-Together dinner* on Tuesday, September 3rd.

Regular fee: 95 EUR

Student fee: 20 EUR (*Get-together dinner is not included)

Principal partners receive two complimentary registrations. Associate partners receive one complimentary registration.

You will receive an invoice for the conference fee via email.
